

NORTHEAST REGION - BAHIA – BA

SALVADOR - 04 DAYS / 03 NIGHTS

Salvador: Salvador, capital state of Bahia, is in the Northeast of the country. Since it was founded in 1549, the city that was born as the seat of government welcomed the Portuguese and Europeans, African Negroes from many different tribes and, of course, the indigenous people native to the region. The diversity arising from these factors makes Salvador a colorful, happy and captivating city. Nowadays it's considered the cultural capital of Brazil because of their original music, dance and many other artistic and cultural expressions. The city has about 2 million inhabitants and it is the third largest one in Brazil, after São Paulo and Rio de Janeiro. With approximately 50 Km of beaches and one third of the shores of the Baía de Todos os Santos (All Saints' Bay), Salvador is the ideal location for relaxing vacations. The city is also famous for their hospitality and kindness with the tourist. You'll feel that in the moment you arrive in the city!
